THINGS TO DO IN JACKSON HOLE

Michael's Picks

We live in a unique town! There is so much to see and do here in Jackson Hole, I am not quite sure where to begin! Whether you are visiting in the winter or the summer, there is a whole host of activities you can do. From the extreme athlete to the occasionally active person, to someone who just wants to be in the great outdoors, or to someone who just wants to get away and relax, Jackson Hole is a place where you can literally find it all!

I have prepared a short list of both winter and summer activities for you. If you are visiting in the summer, then the winter activities may intrigue you to come back in the winter months. If you are visiting in the winter, then the variety of summer activities hopefully will bring you back for a very different but equally exciting experience. This list is only the beginning! In addition to this, there is a variety of other fun, exciting activities to do while here in Jackson. There is so much to do in Jackson Hole that the hardest part will be to fit it all into your trip!

If you do not find something on this list that appeals to you or if you need more information on one or more of the activities, please feel free to ask me ~ I am happy to help you.
